

## **IMPORTANT NOTICE REGARDING CHANGE OF OWNERSHIP**

Date of Notice: February 3, 2026

To Current and Prospective Students:

Exciting news!

This notice is to inform you that the Tiffin Academy of Hair Design plans to undergo a change in ownership.

On or after May 4, 2026 ownership of Tiffin Academy is expected to transfer from Therese Vogel to Allison Tschanen. We are still working through the process and this change and date are all subject to approval by our State Board, the United States Department of Education and the National Accrediting Commission of Career Arts and Sciences. We will keep you in the loop every step of the way.

What you need to know:

- **Your education will not change! Your instructors will stay the same!**
  - The institution will continue normal operations during and after the ownership change.
  - Students may continue their programs of study without interruption.
  - Participation in federal Title IV financial aid programs is expected to continue, subject to required approvals.
  - The institution's accreditation status is not expected to change as a result of this ownership transition.

We look forward to introducing you to Allison and sharing more about her as we get closer to the actual change of control.

As always, if you have questions or concerns, I am here for you and want to continue to give you the best education that we can!
